1. Customer Information

Name: [Edward Simon]

Address: [22650 Morning Glory Circle
Bradenton, FL 34202]

Contact: [primenumber1@gmail.com]

2. Item Description & Specifications

Technical Specifications:

Dimensions: Approximately 95" (L) x 20" (W) x 20" (H).

Core Material: 3/4" High-grade Plywood construction.

Finish: Premium veneer applied to all exterior and interior surfaces (doors, cabinet, and shelves). Color matched to provided reference photo.

Door Configuration: * Four-door layout with seamless "Push-to-Open" mechanism.

Front door cutouts: Max 0.75" width per door (1.5" per pair) for aesthetic detailing. Decoration only.

Internal Layout: * Solid center partition dividing the console into two sections. One secured, removable shelf per side.

Cable Management: * Top: Solid surface (no apertures/holes).

Back: Two rectangular cutouts (approx. 4"x1" horizontal) for cable routing.

Base: Three rectangular support feet, 3" – 4" in height.

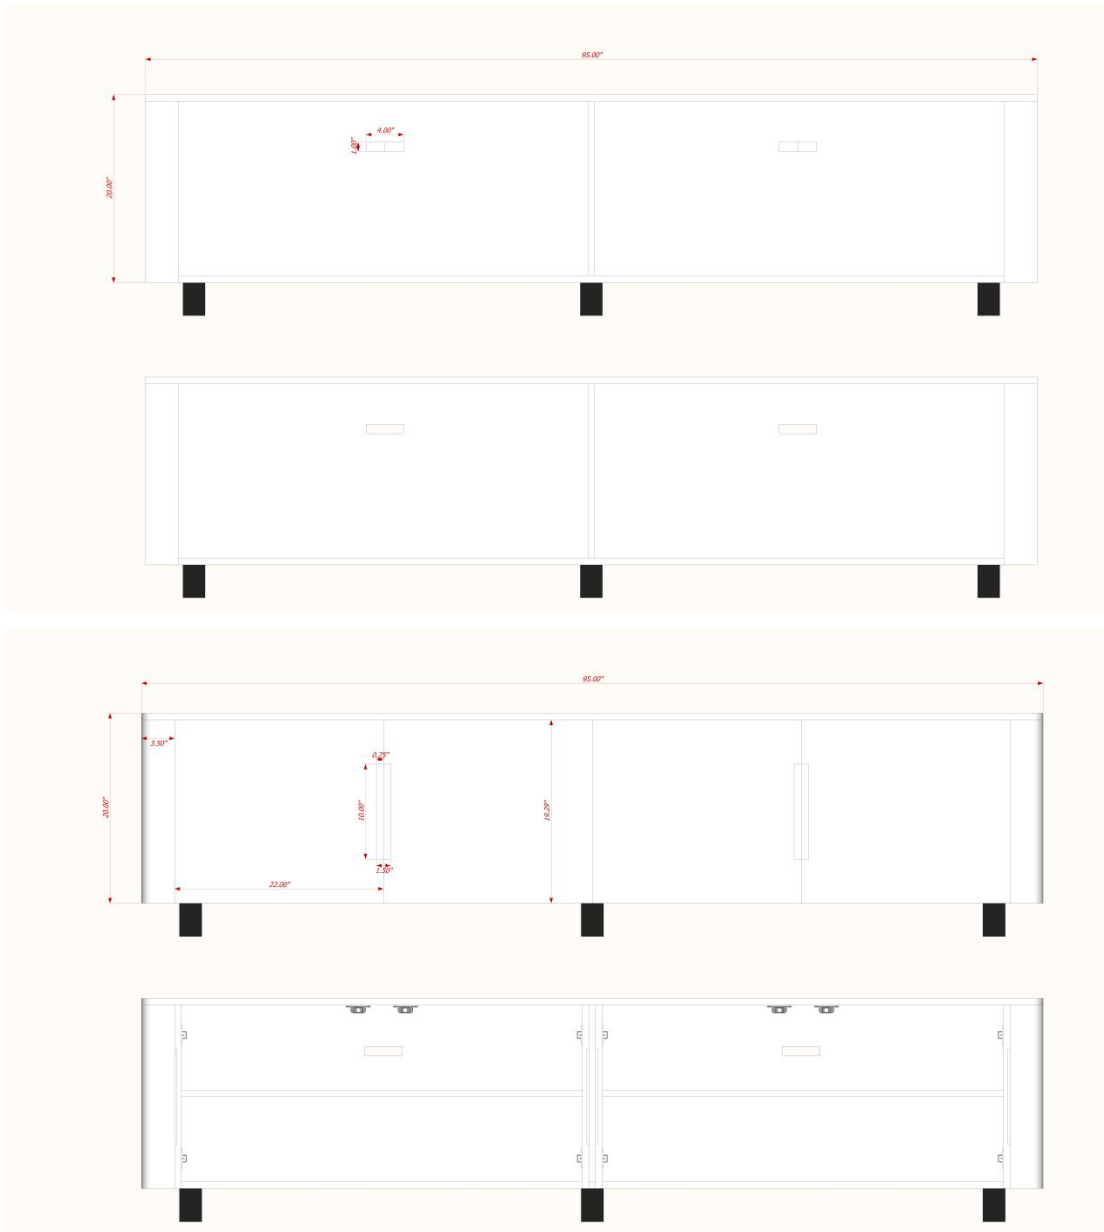

Assembly: Cabinet ships fully assembled. (Note: Base bracket requires simple self-installation by the customer).

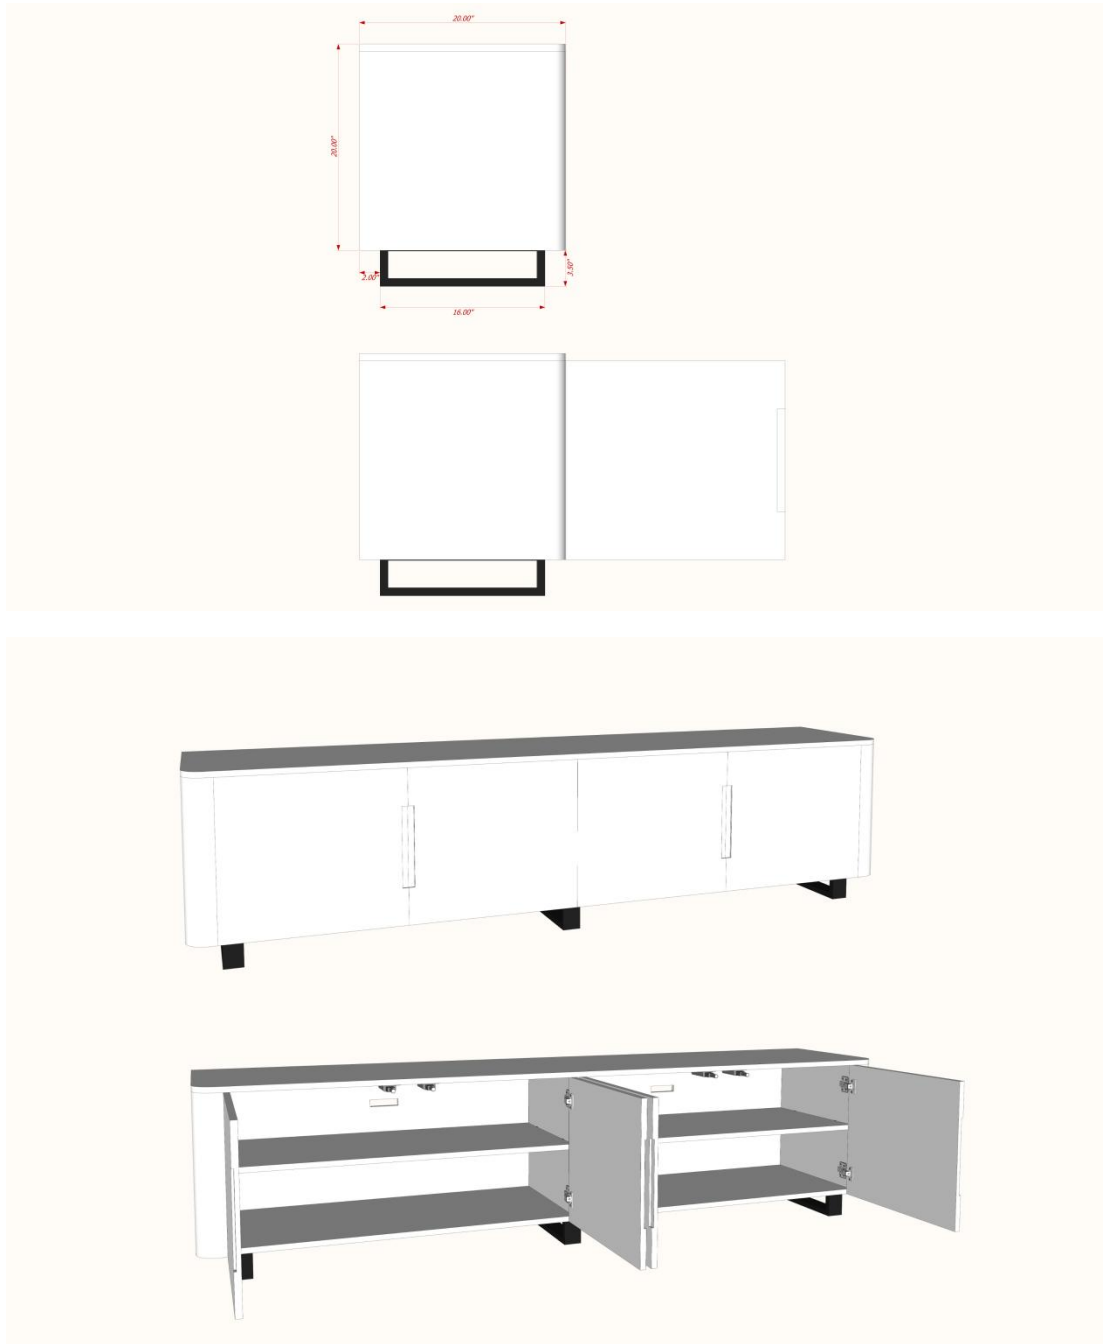

3. Visual Reference

Note: The final product will match the veneer color and silhouette shown in the reference image provided.

Size design drawing

4. Financial Summary

PRODUCT TOTAL DUE: \$1165

5. Notes & Instructions

Veneer Finish: Every effort is made to match the color of the reference photo; however, slight variations may occur due to the natural grain of the wood.

Installation: While the main body is pre-assembled, the base brackets are detached for safety during transit. Hardware for the base will be included.

Shipping: Estimated lead time is **12** weeks from receipt of payment.

6.The console will be covered in a veneer with the color as close as possible as that shown in the picture. Final selection of the veneer will be made by the customer from samples offered by Floaticasa.

Thank you for your business!
